### COMMUNITY GARDENS RULES AND REGULATIONS

1. The use of pesticides or herbicides is **NOT** permitted.
2. Water tanks have been supplied for your watering needs.
3. All gardeners **MUST** leave a 6" right-of-way from adjoining garden plots. This will allow a one foot pathway between gardens.
4. Rock barrels (**rocks only**) are supplied and emptied by staff.
5. Mulching is encouraged to decrease the need for watering.
6. Do not drive on the grass around the gardens. Please use only the access road and parking area.
7. Theft can sometimes be a problem. Any person caught stealing, whether it is a gardener or someone else, will be prosecuted.
8. No steel stakes are permitted.
9. **YOUR PLOT MUST BE MAINTAINED, ESPECIALLY WEED GROWTH, WHICH IMPACTS EVERYONE.**
10. No buckets or containers of standing water will be permitted, unless covered, due to the threat of West Nile Virus.
11. **ALL GARDEN PLOTS MUST BE CLEANED OUT BY OCTOBER 31, 2024, INCLUDING DEGRADABLE FABRIC.**

**For more information on garden plots, call Northampton County Parks Recreation Specialist at 610-829-6404**

**Please sign below** that you agree to follow the above rules and regulations and return to the Parks Office by mail or email by March 22, 2024.
